

Risk Management & Human Capital Solutions
Aging Services Practice

KMRD has a proven and effective solution for controlling risks and safeguarding your community from unnecessary claims and resultant litigation.

A leader in managing risks and protecting senior living communities

The Needs of the Industry

The Aging Services Industry faces many challenges including complicated regulations, costly litigation and increasing complexities of managing the operation. Risk management and insurance needs vary and can be equally complex, exposing an Aging Services Community to poor program design and insufficient asset protection

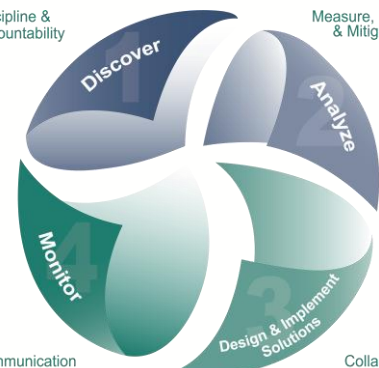

How We Can Help

We provide a comprehensive risk management process to improve the overall management of risk associated with an Aging Services operation. We specialize in serving:

- ✓ Continuing Care Retirement Communities
- ✓ Skilled Nursing Facilities
- ✓ Assisted Living Facilities
- ✓ Independent and Personal Care Facilities
- ✓ Home Health
- ✓ Hospice Care
- ✓ Behavioral Health and Addiction Services Facilities

Discipline & Accountability

Measure, Manage & Mitigate Risk
